The Benefice of Eggardon and Colmers

I am so pleased that you are planning your wedding in the Parishes of Askerswell, Loders, Symondsburry and Powerstock and that you have chosen to be married in church. Planning and preparation for a wedding is a time of joy and excitement but it can also seem very busy.

We in this group of churches are here to help you in any way we can and the information in this pack is about us and how your plans can be put together for a meaningful and personal marriage service. You might also like to check out the Church of England site, www.yourchurchwedding.org which has lots of helpful information.

Don't forget you can contact us whenever you wish if you would like to ask or discuss anything further. Please contact our Benefice Administrator, Jeanette Wedge, whose contact details are on the last page.

With my very best wishes and prayers for your special day.

Rev'd Chris Grasske

Church Fees 2023

The marriage fees for the current year are printed on the next page. The central church fee and local fee are compulsory payments. The fees for the verger will be included in our fee. For weddings between 1st October and the end of March, a small additional fee will be added towards the cost of our rather ancient heating systems.

If you choose to have the bells rang or have an organist play at your wedding, the fees are payable directly by an arrangement between yourselves.

We will provide an invoice about a month before your wedding, along with a document with all the details we hold for you from your original booking, for you to update if required.

Please note that if you are marrying outside your home parish, you will need to pay your parish church to have the banns read there and for a Banns Certificate to be issued, which you should give to the minister at your rehearsal.

If you require a Banns Certificate from another parish and don't have one, you won't be able to marry.

Organists

Our organists look forward to helping you plan your music and hymns, in conjunction with Chris. Please telephone or email the organist of the church where your wedding will be, well before your wedding, to discuss choices for two or three hymns and other music for the entrance of the bride, your departure from the church and during the signing of the marriage document.

You should arrange to pay the organist directly.

Flowers

We want the church to look beautiful for your wedding and at Loders and Powerstock we have people who can help. Please contact them well in advance of your wedding to make arrangements. They will do their best to help with colours and styles and if you visit any of our churches you will see what an excellent job they do. You should arrange payment with them.

Askerswell	Please make your own arrangements	
Loders	Val Brown	01308 456764
Powerstock	Jane Berry	01308 485687
Symondsbury	Please make your own arrangements	

If you prefer to arrange your own flowers, please phone our contacts anyway, in plenty of time, to liaise about colours and other arrangements. In this case we ask for at least the altar flowers and two other arrangements to be left ready for our regular church services. Please remove any other flowers or equipment the day after the service and help us to keep our churches looking beautiful.

Bells Approximate fee £80 (once) or £140 for both before and after the service. Please contact your church for confirmation of these fees as they may vary. The bells can create a joyous atmosphere before or after the marriage service. If you would like the church bells rung, please contact the appropriate person from this list, at least three months before the big day. **Please note that unfortunately the Powerstock bells are currently out of commission (as at 5th January) and it will be at least 6 months before they will be repaired, due to the cost.**

*Please pay in **cash** on your wedding day. Money should be in an envelope marked 'bells' to be given to the verger on the day.*
